

Concept structure

Proposed land use plan

Concept Structure Plan

The Concept Structure Plan illustrates the preferred development pattern of Northeast Business Park.

The key features of the 760 hectare development are:

- approximately 330 hectares open space, heritage parks, walking tracks and a golf course
- a Mixed Industry and Business Area (MIBA), providing 9,000 jobs and accommodating a range of business activities, industries and training opportunities
- a 911 berth Marina, an associated Shipyard providing dry boat storage and a cluster of Marine Industry businesses
