Developer builds business strength

NORTHEAST Business Park, a sponsor of this year's Business Achiever Awards, is investing in the community's future.

CEO Jeff Smith said the business park had attracted strong interest.

"We have a number of local and regional businesses, including boat builders, who have already ex-

pressed interest in being among the first to move in, so it makes sense to support

the recognition of local business," he said. "Last year the Pine Rivers Press, Caboolture Shire Herald, and Redcliffe and Bayside Herald combined received almost 800 nominations and over 8000 votes from the community, which is testament to how supportive communities are of their local businesses."

THANK YOU TO CATS CLIENTS AND VOLUNTEERS!

Pine Rivers Community Assisted Transport Service (CATS) would like to thank our wonderful volunteers and clients for supporting and nominating us for the 2010 Business Achievers Awards.

CATS is funded by Home and Community Care (HACC) under the auspices of Moreton Bay Regional Council (MBRC). We deliver a valued, direct community service through friendly and efficient practices to over 850 clients who live in the Pine Rivers area. Our service is funded to provide transport and social support to (HACC) eligible frail aged and younger people with a disability, to assist them with medical appointments, shopping and participating within their community.

CATS is a volunteer based community service provider and this critical service would not be possible without the many hours of dedicated support our 80 proud volunteers provide.

CATS endeavours to be the volunteers' service of choice. If you would like to join the CATS volunteer team you will be warmly welcomed.

For any enquiries please contact Michelle on 3480 6467.

Many thanks to our customers for nominating J H Grant Real Estate for a Business Achiever's Award and allowing us to become a Finalist in this year's programme.

Part of our 40 years of success has to be credited to the use of advertising in the local print media, which is free to our customers. It does make a difference and the difference is **SOLD**.

How much difference? We've sold over \$1,000,000 of property per week, thanks to Quest and our free marketing programme.
