Joy Leishman  
North East Business Park

Dear Joy,

I would like to thank you for our site tour of the proposed North East Business Park on Friday March 25, 2011.

I truly enjoyed our tour; hearing about the development; learning more about this amazing land and the history of the site.

Today's tour only further concreted in my belief that this key development should be given the green light to commence ASAP.

It was great to talk to you and discuss why our community would benefit from such an important development.

Congratulations on the progress made so far, and thank you for taking the time out to show me this amazing site.

NEBP is quite impressive!

Kind regards,
