

BRIEFLY

Harbour award for excellence

Amity opens in Narangba

Community carols
Upper Caboolture Farmers' Assembly Hall Community Christmas Carols featuring St Michael's Church Choir will be at 7.30pm on December 7 at 704 Caboolture River Rd, Upper Caboolture. Santa will arrive with the Moorina-Rocksberg Fire Brigade. All welcome.

Free mulch
Council has free mulch for residents. Mechanical loading is at Bunya, Caboolture and Dakabin waste sites 9am-noon Saturdays and Sundays.

NORTH Harbour has been named Best Residential Subdivision in Queensland, in the 2018 Urban Development Institute of Australia (UDIA) Qld Awards for Excellence.

Judges said the development at Burpengary East showed excellence in planning, community, sustainability, urban design and engineering.

"This is a tremendous result not only for North Harbour but for the region,"

project director Peter Lightbody said.

"We are incredibly proud and happy to have won this award.

"We were commended by the judges for our provisions for the community including our amenities and high-quality landscaping, as well as our Display Village which is the largest on the north-side.

"We've also been named as a finalist in the national UDIA awards and to even be

in that space is an incredible achievement considering we welcomed our first residents only four years ago."

North Harbour has community sponsorships in the region including the Abbey Museum of Art and Archeology with work underway on a \$3 million Heritage Precinct around the heritage-listed "Moray Fields" homestead site, which was the first European settlement in the area and dates from 1861.

Project director Peter Lightbody and Business Development Manager Eve Castle

NESTLED in one of the fastest growing suburbs in the region, residents can begin moving in to a new development in Narangba this month.

Amity, designed by Pointcorp and Dahua Group will feature 467 lots and is due for completion in late 2020. Amity will be accessed from two entries off Callaghan Rd, Narangba.

The suburb has more than 6000 homes and 18,500 residents with another 6000 dwellings on the cards.
