#### Allotment Description

This plan shows details of Proposed Allotment 1119 on SP341458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

#### Notes

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

#### Allotment Description

This plan shows details of Proposed Allotment 1125 on SP341458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

#### Notes

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

### Allotment Description

This plan shows details of Proposed Allotment 1130 on SP341458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

## Notes

1. This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
2. This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
3. North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
4. The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
5. Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for "As Constructed" information prior to any design and/or construction of any structure.
6. There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
7. Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
8. These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
9. This plan may not be reproduced unless these notes are included.

#### Allotment Description

This plan shows details of Proposed Allotment 1131 on SP34/458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

#### Notes

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

Proposed Average height of wall

Proposed Rock Retaining Wall

Proposed Sleeper Retaining Wall

Proposed Acoustic Barrier

#### Allotment Description

This plan shows details of Proposed Allotment 1136 on SP34/458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

#### Notes

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

**Allotment Description**

This plan shows details of Proposed Allotment 1145 on SP341458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

**Notes**

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

Allotment Description

This plan shows details of Proposed Allotment 1164 on SP341458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

Notes

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.

#### Allotment Description

This plan shows details of Proposed Allotment 1294 on SP341458 cancelling part of Lot 9998 on Proposed Reconfiguration Plans as approved by Moreton Bay City Council in accordance with Development Approval Number DA/2023/4299 dated 26/03/2024

The Contractor shall complete all allotment earthwork operations in such a manner to allow an approved Geotechnical testing company's certification that site filling has been placed as Level 1 "Controlled Fill" in accordance with the provisions of Australian Standard AS 3798-2007.

The frequency of control testing shall be in accordance with the provisions of Table 8.1 of AS3798-2007.

#### Notes

- This Diagram has been prepared for information purposes only and does not form part of any contract of sale.
- This plan was prepared for the exclusive use of North Harbour Holdings Pty Ltd and their other professional advisors and is not to be used for any other purpose or by any other person or corporation.
- North Harbour Holdings Pty Ltd and T.H. Jensen and Bowers Pty Ltd accept no responsibility for any loss or damage arising to any person or corporation who may use or rely on this plan in contravention of these terms.
- The title boundaries shown on this diagram were not marked at the time this diagram was prepared and have been determined from calculated dimensions only and not by field survey.
- Services shown hereon have been plotted from available records current at the time of preparation. The local authority and/or service provider should be contacted for 'As Constructed' information prior to any design and/or construction of any structure.
- There can be variations between this design information and works as constructed. Field survey is required to confirm the actual location of services prior to design and construction of any house or structure.
- Any Building Envelope shown may not take into consideration additional setback and clearance requirements that may be imposed by statutory and service authorities and their associated Acts and Legislation.
- These notes form an integral part of this plan. If others use this information, they should be advised of its purpose and limitations.
- This plan may not be reproduced unless these notes are included.
